Buddy

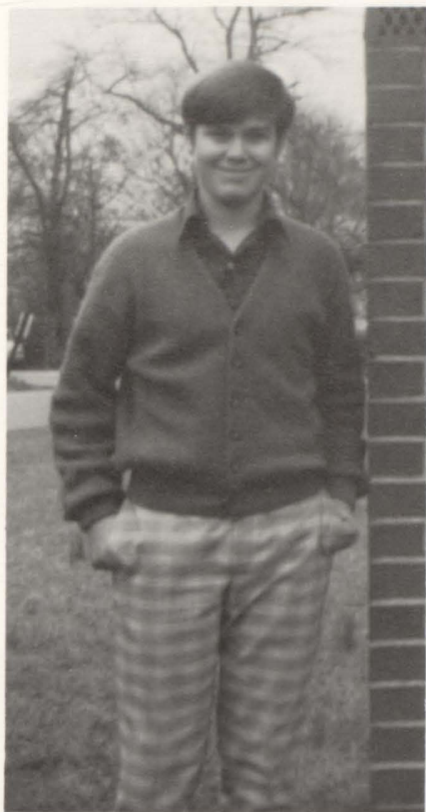

Kirby,
 It's really been fun knowing
 you these last few years. I'll
 never forget all the great times
 we've had in Speech & Drama.
 Best of luck in life. Hope to
 see you after graduation.

 Shaw

Dedication

KEITH WELLS

August 21, 1957-November 4, 1972

Because he was faithful, sincere,
and dedicated;
Because he spent long hours of
hard work to help make this
book a reality;
Because he was always willing
to help with any work to be
done;
Because he was kind, gentle and
understanding;

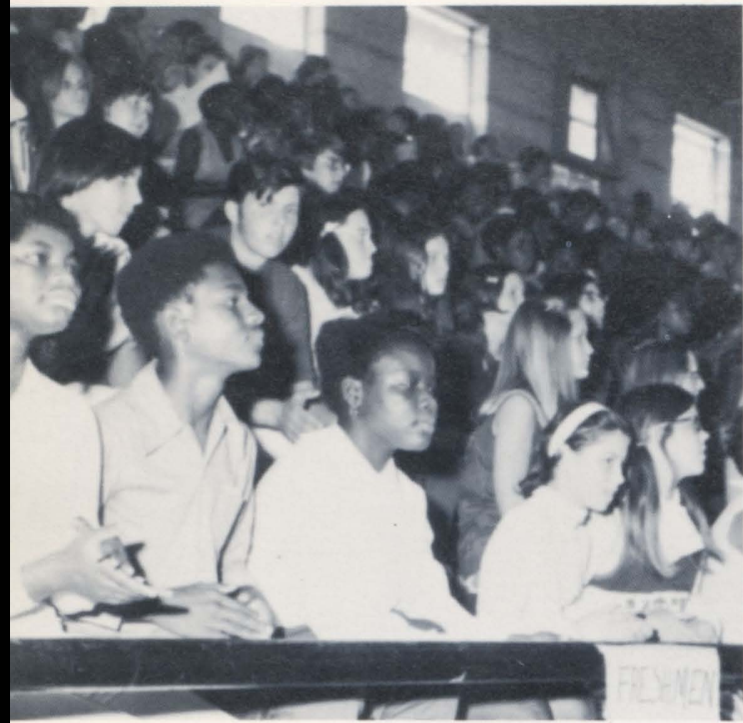

Because the hours we spent to-
gether were full of joy,
happiness and laughter;
Because our lives are so much
richer for having known him;
Because he was our friend;
We, the J.C.H.S. yearbook staff,
dedicate the 1973 Growl to one
of our own, Marshall Keith Wells.

"Not to understand a treasure's
worth
Till time has stol'n away the
slighted good,
Is cause of half the poverty we
feel,
And makes the world the wilderness
it is."

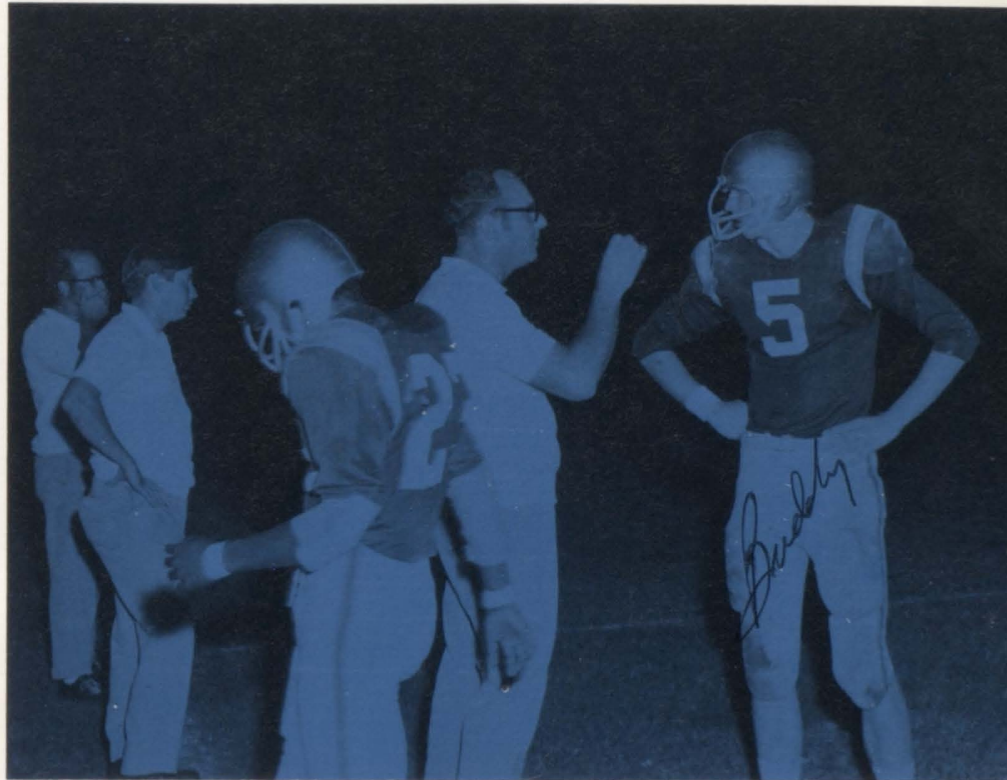

William Cowper

Give Us A Sign

Signs and signals—they are everywhere in our lives. They vary from an eight-foot-glow-in-the-dark indication that a lane ends, to an almost imperceptible wink from that cute new student. A person's face can be a sign which displays emotion, thoughts, beliefs and ideas.

Student Body

Freshmen

The Freshmen are in the beginning stages of mental and physical development. New horizons to explore are placed before them. They begin here, in the ninth grade, and continue onward into tomorrow. This is the beginning of construction.

Beginning again is full of excitement and surprises. Becoming adjusted to a higher, heavier standard of learning is difficult, but the Freshmen always manage to survive.

Second year Construction:
The ground has been cleared,
the foundations laid, and the
work is half finished. The pro-
ject begins to grow by leaps
and bounds. The tension eases
as the semesters pass. People
begin to realize what they
know, and also become
acutely aware of the many as-
pects of life that they are igno-
rant of. It is a time for grow-
ing, searching, reaching, and a
time to think of the kind of
person one wants to groom
himself to be.

Juniors!

They have but one way in mind as they yield to the many and assorted responsibilities that come with being a Junior. That way leads to the Senior year and a firm grasp on graduation. This goal cannot be attained without much discipline, dedication, and hard work. The signs are there; all they need do is follow.

Senior Signs

"Senior" is an awesome word to any underclassman, and even more so to the Seniors themselves. It is a title that is respected, anticipated and strived for. The high school years are fading. It is the end of adolescence and the beginning of adulthood.

1972 Homecoming Activities

1972 Jones County High

Miss Regina Patterson is one of our 1972 Homecoming Queens. With her pleasing personality everyone seems to enjoy her company. Being a part of different organizations, Regina is very active. She is treasurer of the Senior class and plays a very important part as a member of the Pep Club. Regina is associated with the Tri-Hi-Y Club of which she is treasurer, the Psychology Club, and the newly organized Explorer post 42.

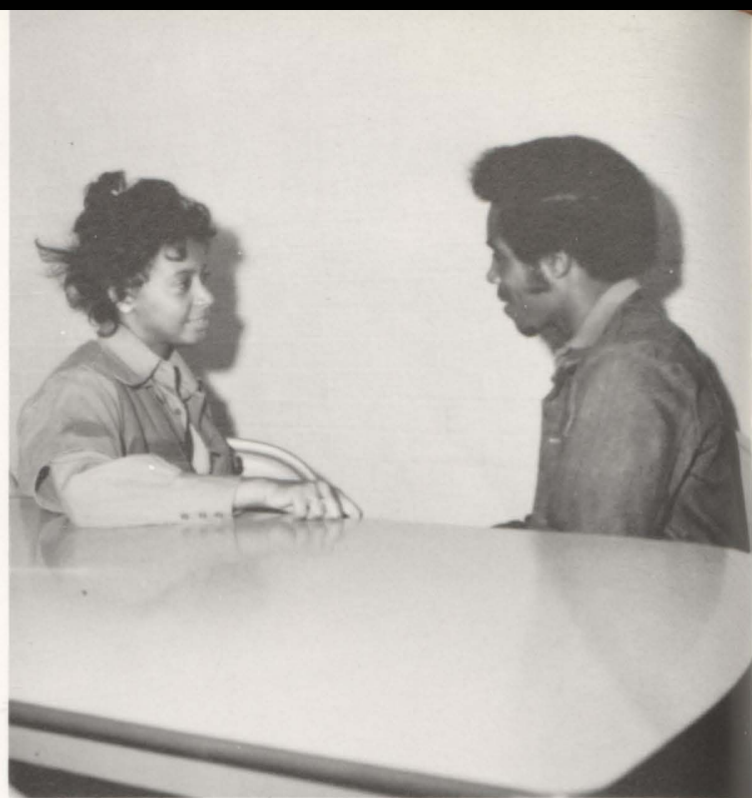

Homecoming Queens

Miss Sandy Baker is also one of our 1972 Homecoming Queens. Sandy is the type who makes friends with whomever she meets. Because she is very quietly poised, Sandy has a pleasing personality. One of her greatest responsibilities is being one of the captains on the cheering squad. To add to her activities she is not only member of the Lettermen's Club, and Psychology, but also a representative of the Student Council.

Honors

Governor's Honors

Governor's Honor students are nominated by teachers because of their proficiency in a certain area. They compete with over four hundred students for recognition throughout the state. The winners go to summer school for eight weeks at Wesleyan. J.C.H.S. this year has four semi-finalists, and they are: Willie Rainey—Mathematics, Cindy Simpson—English, Jeff Turner—Social Studies, and Richard Hutchings—Music.

STAR Student

The STAR student program is designed to give recognition to outstanding scholars and teachers. The program is sponsored by the Georgia Chamber of Commerce. Each year the top academic senior in each accredited Georgia high school is named STAR Student. These students compete for the District and State STAR awards. The program terminates with the State STAR Banquet held each spring. This year's STAR Student and STAR Teacher are Steve Sims and Mrs. Dorothy Schuyler.

White Christmas

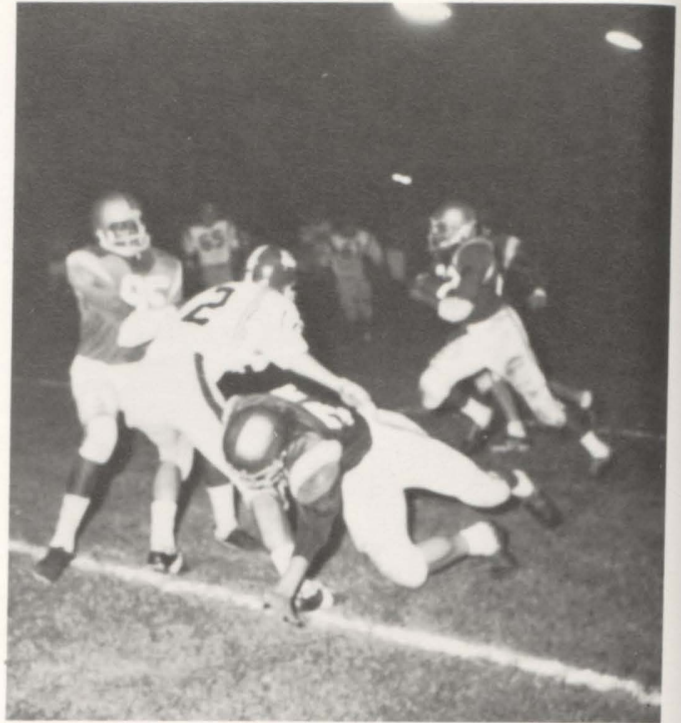

White Christmas is sponsored every year by the Senior class. The reason for the White Christmas is to help those people who are unable to have a Merry Christmas. All of the Seniors are involved and this makes them feel as though they have done a great deal for some needy persons who will greatly appreciate their kindness.

J.C.H.S. Football 1972

No mercy!

Harold Tukes blocks as Donald Patterson runs against Douglas.

The offense ordered onto the field by Coach Smith.

Roger Stephens sweeps around end for a long gain.

Terry Finney forced out of bounds by Mt. de Sales.

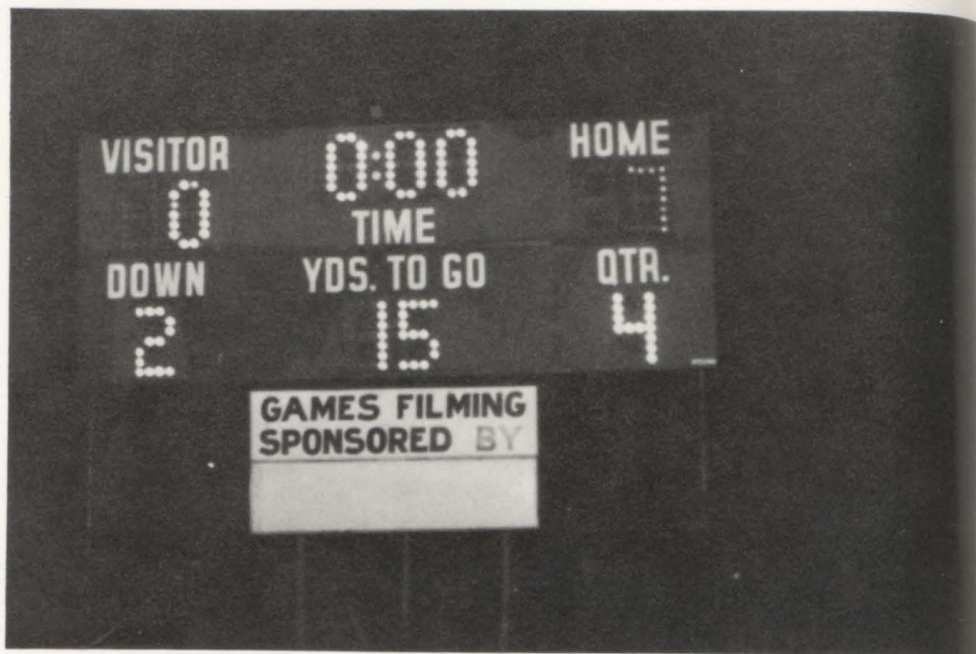

Hounds Rise to a Fiery Finish

Fans held their breath and dared to hope that maybe this year would be the season the Greyhounds might end up with more wins than losses. There was good reason for hope. A new athletic director and head football coach, Charles Smith, had taken control. Coming from Madison County with new ideas, he soon whipped the Greyhounds into shape.

But with a predominately young and inexperienced team, the Hounds soon learned that experience wins the games. The Greyhounds went down in defeat seven times before surprising everyone with two solid victories at the end of the season.

The year was a time of rebuilding. The inexperienced freshman who met defeat after defeat this year are expected to become the experienced sophomores that makes JCHS a football threat.

So the Greyhounds did not beat Mt. de Sales and did not go to a region play-off. Was it a successful season? Decide for yourself.

The scoreboard tells all.

Coach Curtis congratulates Terry Finney on a fine effort.

Roger Stephens zeros in for a tackle.

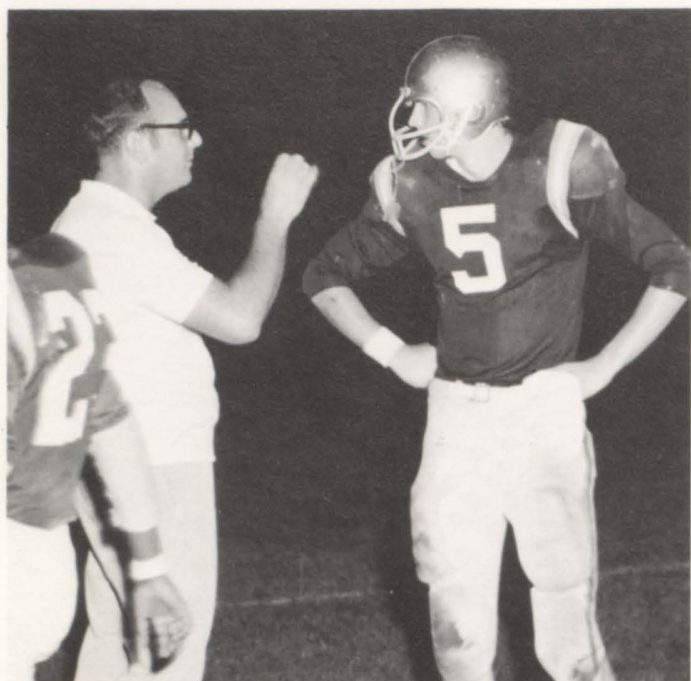

"Shake it off, Buddy, shake it off."

The 1972-73 Girls Basketball Team

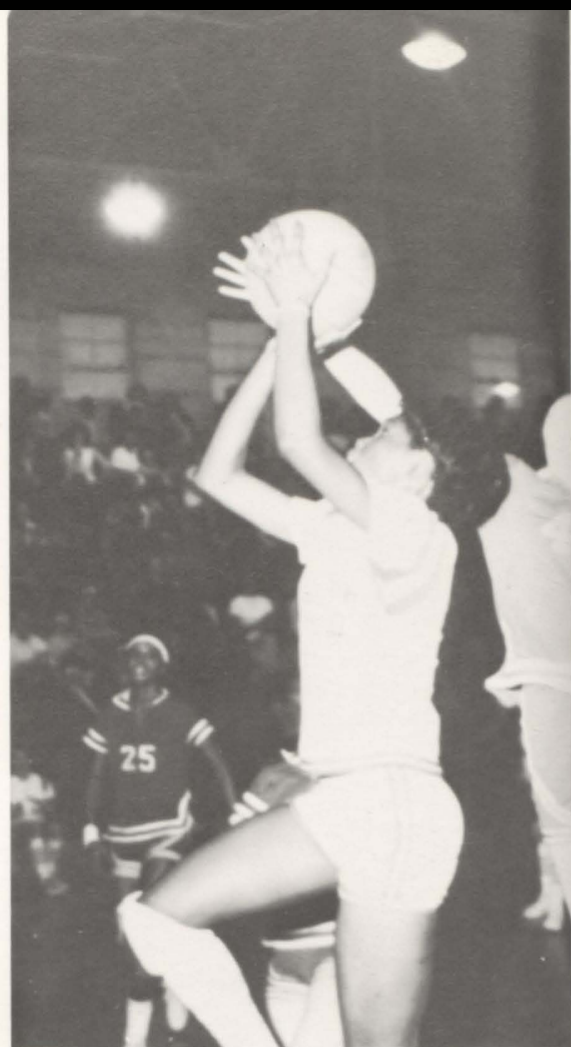

Head Coach Jim Abbott

The Lady Hounds combined experience veterans and talented youngsters for a winning 17-4 regular season record. Coach Jim Abbott guided his girls past most opponents with surprising ease. The team lost to only three schools during the regular season: Cochran, Putnam, and Monticello.

A steady, deliberate, and often deadly offense and a hustling, antagonistic defense are trademarks of this year's team.

JCHS is definitely on the road to success as far as girl's basketball is concerned.

The student body extends its congratulations to Coach Abbott and his Hustling Hounds.

B-Team Girls

The B-Team girls proved that they could handle tough opponents by posting a 3-3 record. They were largely inexperienced due to the loss of many veterans to the varsity. They challenged many tough opponents such as Cochran, Wilkerson, and Northeast.

Top performers for the B-Team were Etta Towels, Julie Roberts, Emma Smith, Shirley Howard, and Vanessa Lane.

Seniors: Jackie Billingslea, Sandy Baker, Goldie Lester and Glenda Faulkner. Juniors: Lillian Patterson, Donna Huey, and Diane Lovelady. Sophomores: Joy Tripp, Ruth Roney, Andrea Bohler, Francine Billingslea, and Tina Bently.

Varsity Cheerleaders

The 1972-73 Varsity Cheerleaders began the year with new faces, new cheers, and new uniforms. The twelve girls attended the American Cheerleading Academy during the summer, where they learned fundamentals of cheering and movement, new cheers and chants, and important facts about their American heritage. The excellent results of their efforts were enjoyed by the entire student-body. Right on, Cheerleaders!

The JCHS Greyhounds enjoyed another great year under Coach Robert Curtis; posting a 12-8 regular season record.

The Hounds were loaded with a great number of talented, inexperienced players after returning only two lettermen from last year.

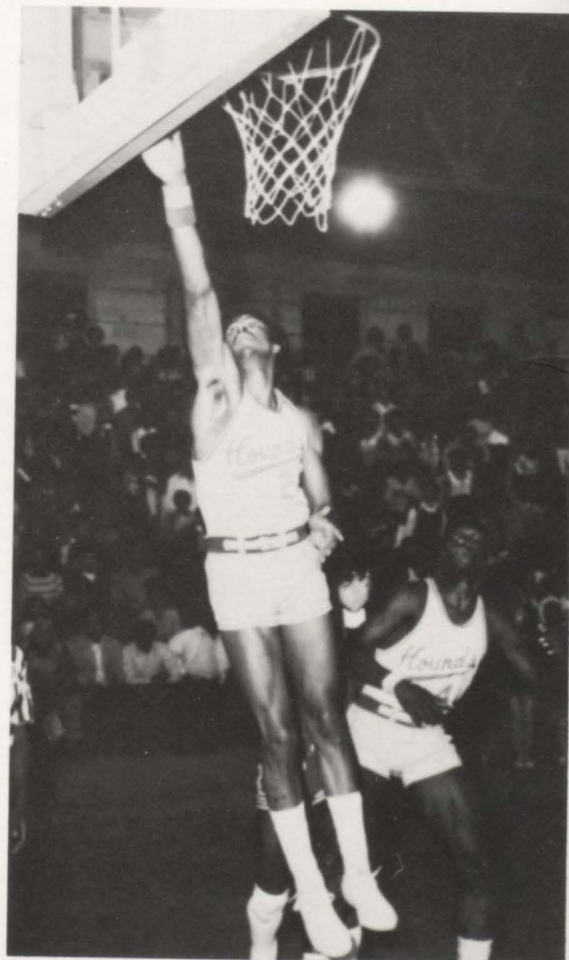

The team, one of the tallest in Jones County history, charged into post-season play and won second place in Region 3-A. Their region standing propelled them into the state playoffs in Macon.

Hounds look to be a tough team to contend with in the future.

Organizations

J.C.H.S. Band and Drill Team

Whether it be classical or modern music the J.C.H. Band and Drill Team perform it to the fullest. As one passes by the band's room fourth hour, he stops and begins patting his feet to the beat of the captivating music as the band plays on.

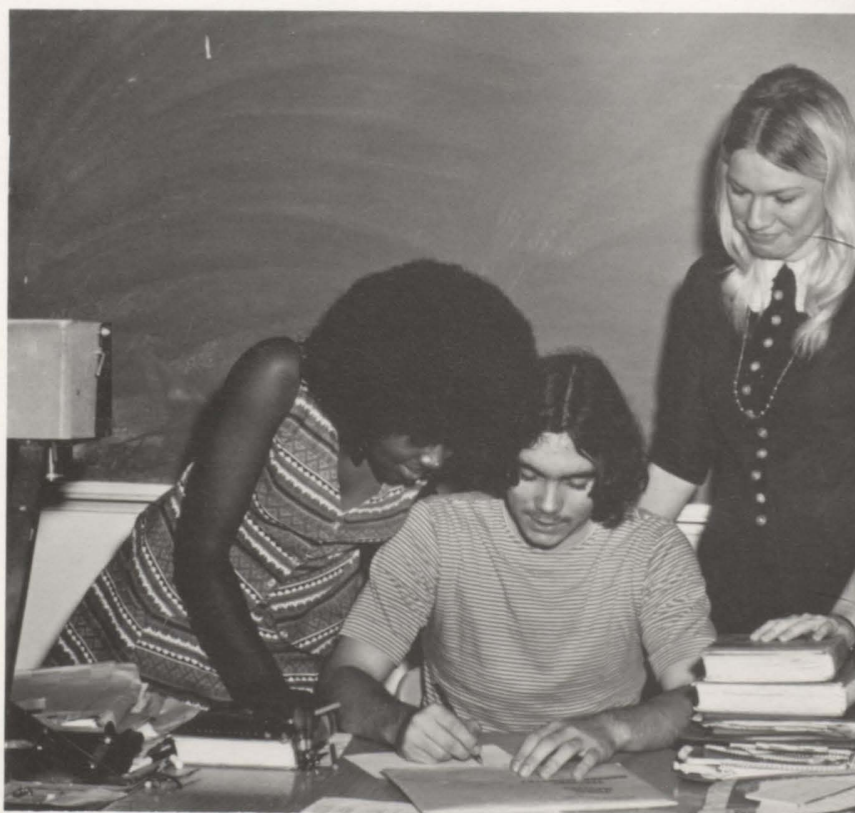

National Honor Society

The National Honor Society is a nationally recognized organization. The members of this club must maintain an 85 or above average.

This year our N.H.S. is not only concerned with honor in schoolwork, but also helping where there is need by sponsoring a Thanksgiving basket.

The group officers are: James Elliott, President; Mamie Barron, Secretary; and Cindy Johnson, Treasurer.

Beta Club

In order to be a member of the Beta Club, one must maintain a 93 or above average. Other requirements include an invitation for membership based on leadership and character. Officers: President, David Turk; Vice-President, Joe Craine; Secretary-Treasurer, Michael Evans; Reporter, Steve Sims.

Letterman Club

The Letterman Club consists of the highly talented young people in the fields of sport and band who have earned a letter in their field.

Pep Club

This year the school has really had spirit in supporting their teams. Much of the credit for this spirit is given to the cheerleaders and the pep rallies, but none of this could have been possible without the backing of our energetic Pep Club. This group has shown their love and support of their school and its sport activities. Officers are: President, Faye Black; Vice-President, Vencil Lester; Secretary, Lynn Far-
rer; Treasurer, Donna Sneid; and Special Assistant, Frankie Justice.

Student Council

The Student Council was really back in full swing this year. It adopted a school constitution and sponsored many of its usual schoolwide activities. These activities included homecoming, spirit week, and a Christmas decorating contest. The Student Council members are all striving to make J.C.H.S. "what's happening."

Officers: President, Ron Brumalow; Vice-President, Sandra McCrary; Secretary, Lillie Bland; and Treasurer, Paulette Ammons.

Photography Club

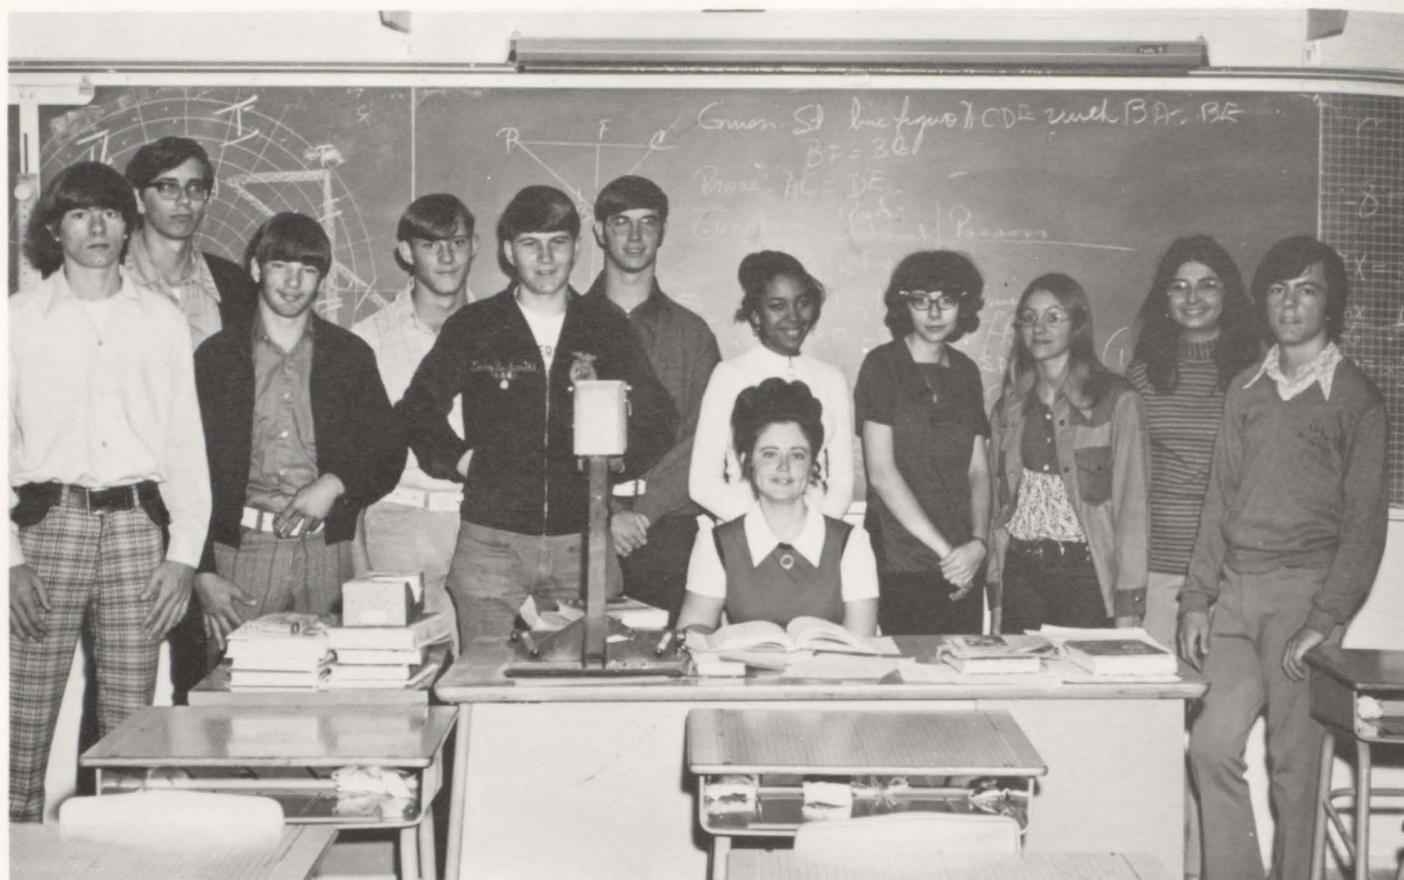

Within a moment one looks through the view finder, finds the subject, focuses the lens, and releases the shutter. The members of the Photography Club learn to capture life on film. For many of them the interest in photography goes further than just a hobby as they seek careers in the profession. Officers are: President, Russell Heath; Vice-President, Pam Brewer; Secretary, Jaymie Ladson; and Treasurer, Phyllis Mullis.

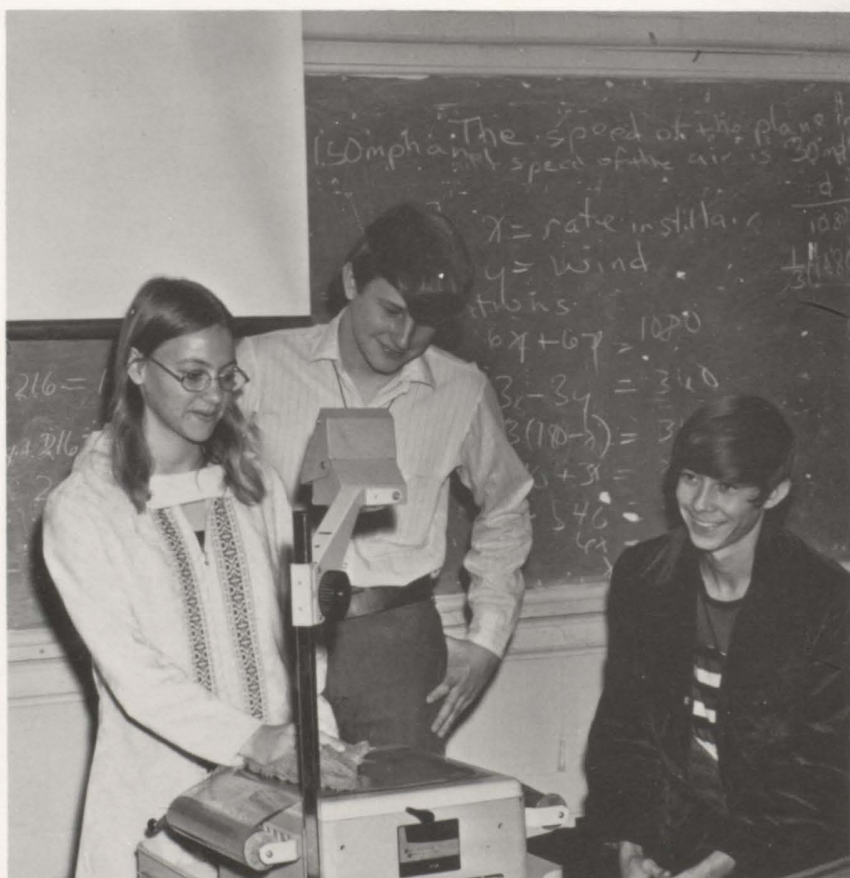

4-H

"To make the best better" is truly a fitting motto for this group of young men and women. Their aim might best be stated by their well known pledge. Contrary to the long held belief that the 4-H was only for those students who lived on farms, today's organization seeks to benefit all youth regardless of environment. Officers are: President: Shirley Howe and Emory Allen; Vice-Presidents: Carol Wilcox and Jay Moughon; Secretary-Treasurer: Cheryl Bland.

Math Club

Sine, cosine, tangent, isosceles triangle, and figures, all of these factors and many more interest the Math Club members. Newly organized this year, the Math Club attracted many members who enjoyed working with this exacting science. The officers are: President, Bill Wyatt; Vice-President, Robbie Pippin; Secretary-Treasurer, Kathy Maddox.

Psychology Club

Understanding the nature of man's behavior intrigues the members of the Psychology Club. They seek to understand the causes of man's normal and abnormal behavior. They seem to understand that in order to know the world and its meaning man must first seek to know himself. The members of this club are searching for the unknown of man's conscience and subconscious and may go on to solve the mystery. Officers are: President, Sandra McCrary; Vice-President, C.S. Pitts; Secretary, Susan Mauldin; and Treasurer, Rogers Stephens.

Future Farmers of America

The Future Farmers of America is a widely recognized organization. Long established at J.C.H.S., it promotes leadership and special skills of young men interested in agriculture and its related fields. Officers are: President, Paul Thornton; Vice-President, Calvin Pitts; Secretary, Jette Frazier; Treasurer, Wayne Bloodworth; Reporter, Jerry Miller; and Sentinel, Terry Finney.

Library Club

Officers: President, Rhonda Terrell; Vice-President, Evelyn Simmons; Secretary, Kay Dixon; Treasurer, Ruby Adkins; Reporter, Kathy Champion; and Parliamentarian, Dianne Hawke.

Art Club

The Art Club is made up of students who like using their hands and creativity. From recognizing primary colors to understanding the more complex phases of art, the Art Club members are engaged in exercising their own creative ability.

The officers are: Lance Souther, President; Karla Hollings, Vice President; Charlie Ridley, Secretary; and Julana Bowers, Treasurer

Science Club

The Science Club is an outstanding organization of students whose interests lie in the realms of practical, applicable facts, questions answers and solutions. With today's concentration on progress and conservation of the environment, the people who have the curiosities and desires to explore scientific theorms, are asets to our country and our very existence. Officers are: President, Micheal Allen, Vice President, Steve Patterson, Secretary, Tia Juana Finney, and Reporter, Robin Williams.

The Spanish Club

The Spanish Club is an organization that gives its members the opportunity to exercise and expand their knowledge of the Spanish language. In doing this, it provides students with an outlet for their interests in foreign languages.

Officers: President, Tina Billingslea; V. President, Gail Miller; Secretary, Carolyn Gardner.

Mixed Chorus

Staccto, trills, eighth and whole notes, the time signature, the key signature; all are vital and necessary in the arrangement and composition of music. The perfection of even a simple piece of music requires a knowledge of the basic rules, and the desire to create harmony out of the musical notations and terms. Mixed Chorus serves to teach both the members of the group and those who observe their achievements the importance of the signs of music.

Even though the mother's place is not necessarily in the home anymore, one needs a firm background in keeping a home and caring for a family. The Future Homemaker of America provide ways for perfecting, or at least developing, a maturity and practicality with which to meet all obstacles; whether they be little everyday "tragedies" or major domestic problems.

Officers are: Kathy McCant, President; Jackie Collins 1st Vice President; Kathy Fountain, 2nd Vice President; Carolyn Williams, Secretary; Janet Chambliss, Treasurer; Ruth Roney, Reporter; Mary Fountain, Honor Roll Chairman; Tia Juana Finney, Project Chairman; and Peggy Tate, Song Leader.

Tri-Hi-Y

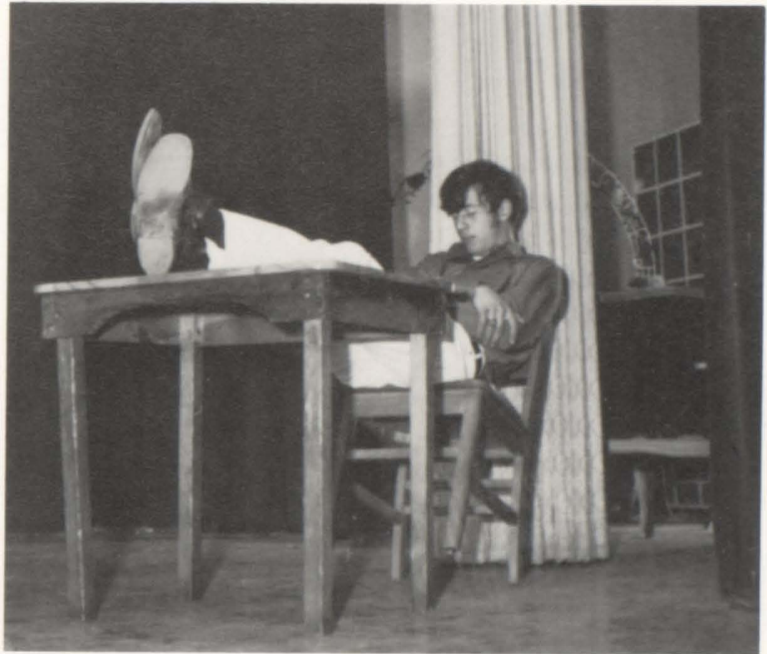

Almost everyone who sees the sign of the Cross is automatically reminded of Christianity as a whole. The Tri-Hi-Y is composed of young Christians working for the betterment of their society, environment, and fellow man. Familiar to all are the frequently heard phrases: "God Loves You. So do I."

Yearbook Staff

The Yearbook Staff at Jones County High starts work weeks before school opens. The first task is selling ads to help pay for the book. Then they start the real work of putting together a record of the moments and events in school year through pictures.

The results of the effort reach the hands of the students in late spring and crystalize for them forever the events which make the school year memorable.

Where You Always Get A Better Buy

Listen to the Future

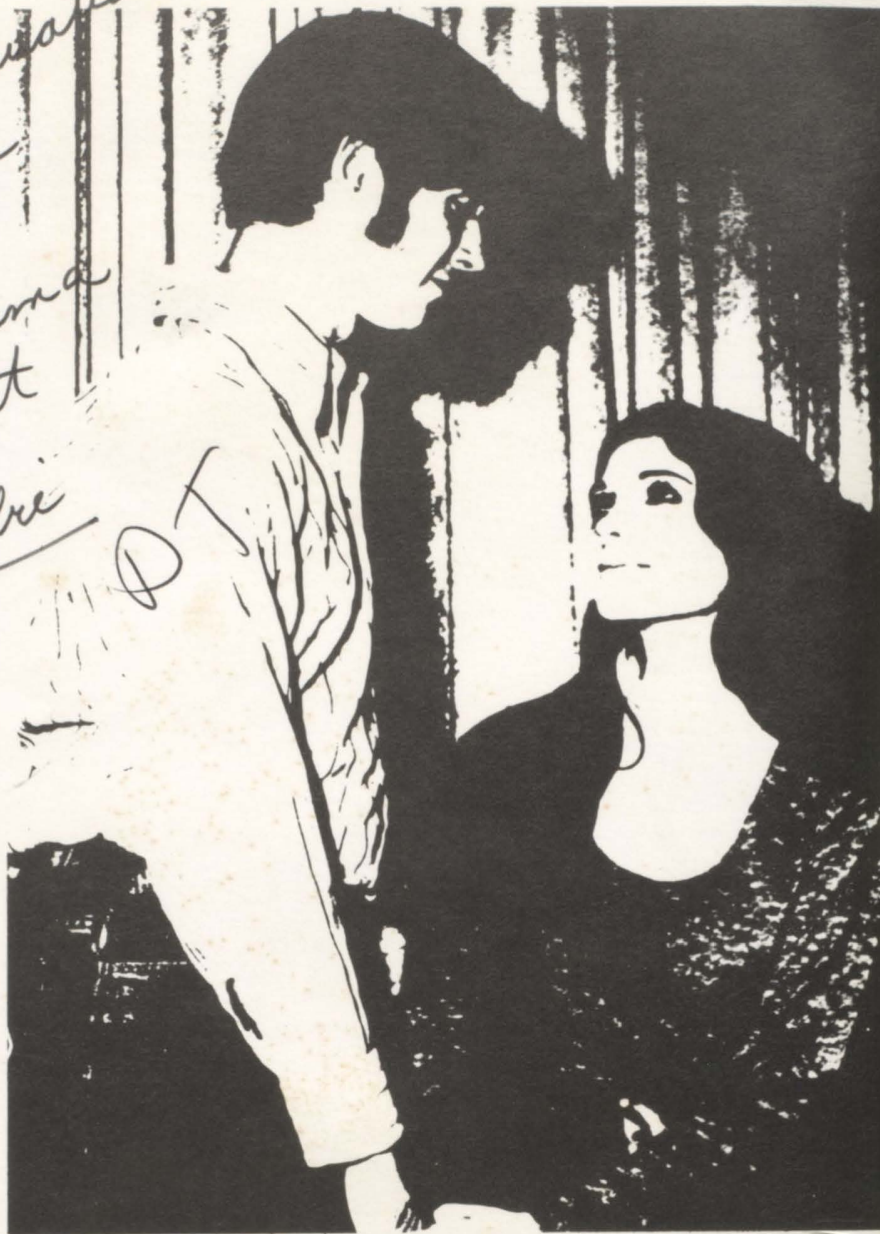

Kinky,
 How man... just
 think! After this year you'll
 be gone - Ironic (red)! Ha
 I was just kidding. I'm
 really going to miss you
 next year. Once I've known
 you I've come to think of
 you as one of the sweetest
 persons I've ever known!
 Stay the way you are
 now and let always
 love you! Don't forget must
 keep in touch!
 Love ya
 always,
 Henry

Kirby,
 Knowing you
 has been an
 experience! I enjoyed
 this year, riding horses, and
 "rolling stones" I hope graduation
 want to be the end of our
 friendship, remember I
 live across from our alma
 mater JC HS. Don't forget
 me. Debbie

Beginnings and endings al-
 ways walk hand in hand. An
 "End Construction" sign is in-
 evitability followed by an-
 other, possibly better, road.
 Such is the way of man; such
 are the signs of life.
